

ALERTE VIRUS

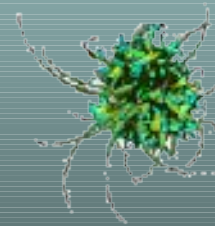

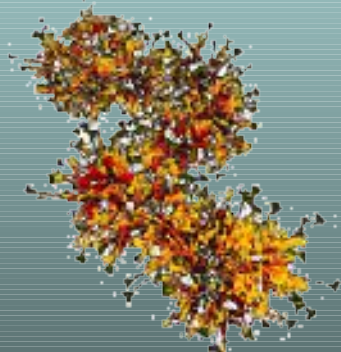

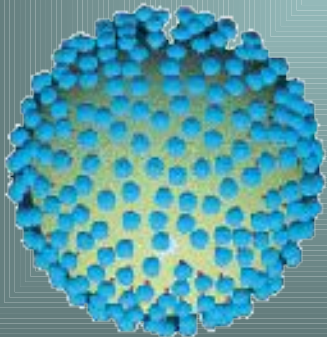

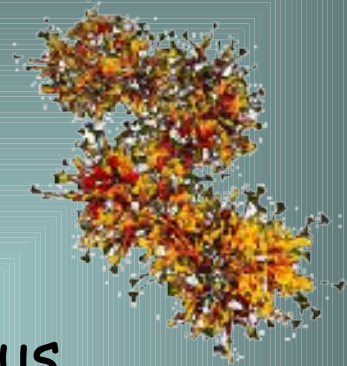

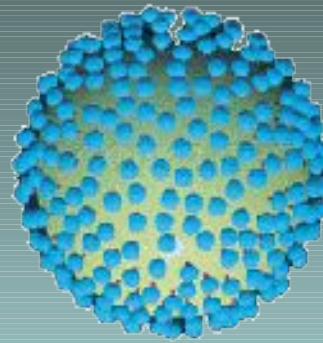

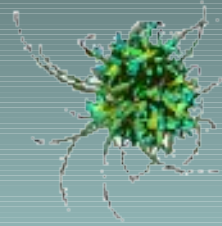

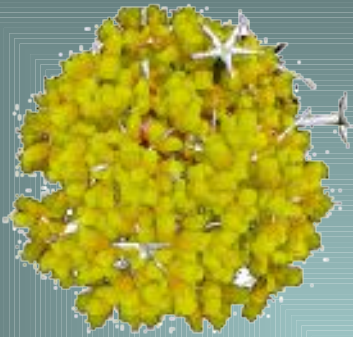

Attention !!!! J'ai vérifié sur HoaxBuster et ils confirment que c'est vrai. Il existe un nouveau virus.

La nouvelle a même été annoncée sur FRANCE INTER hier. Son nom de code est : '**travail**'.

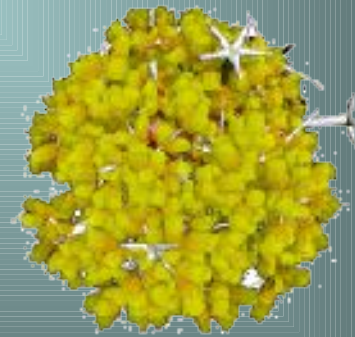

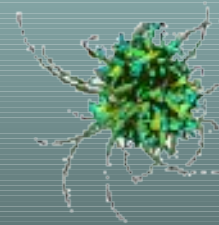

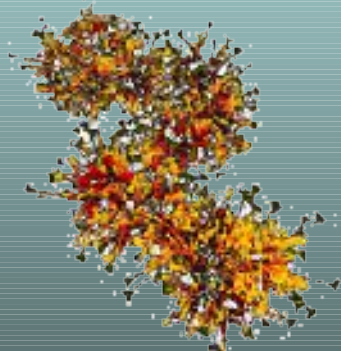

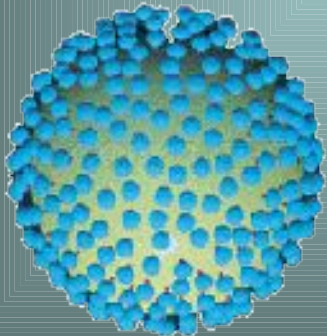

Ce virus détruit totalement votre vie privée.

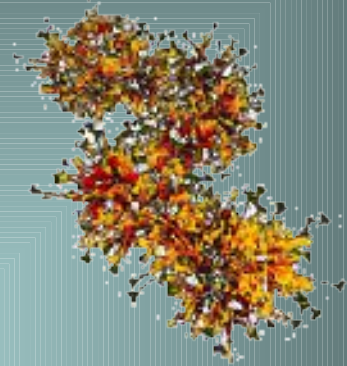

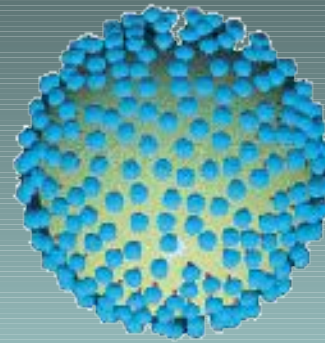

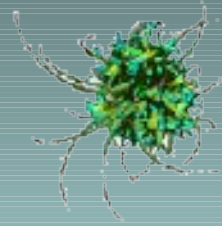

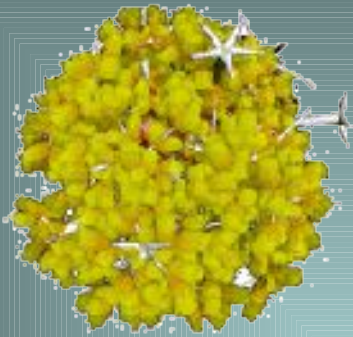

Si vous devez vous trouver en présence de ce virus '**travail**', partez immédiatement et rendez vous dans le bar le plus proche, en compagnie de deux amis.

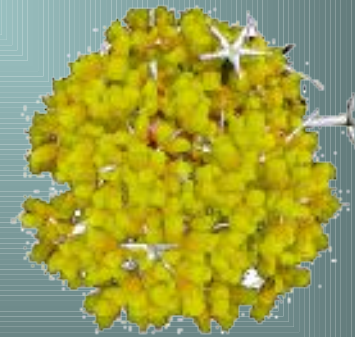

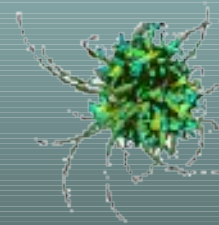

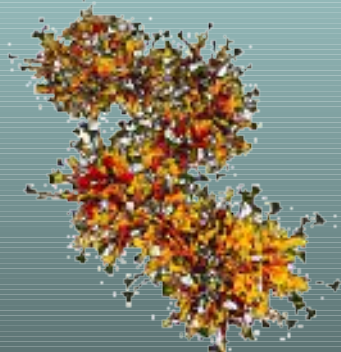

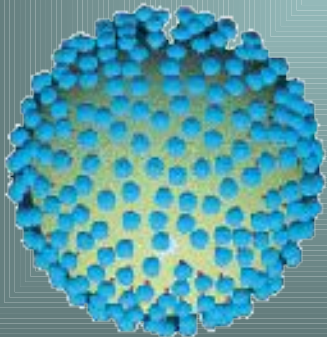

Commandez trois bières, ou une Margherita, ou encore plusieurs vodkas, répétez l'opération 10 à 14 fois. Vous verrez alors que le '**travail**' est complètement effacé de votre mémoire.

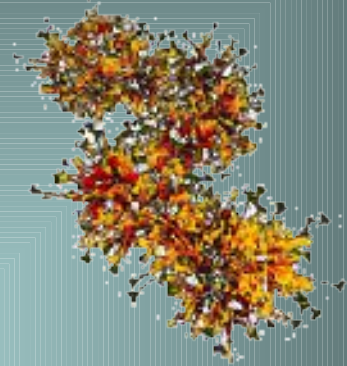

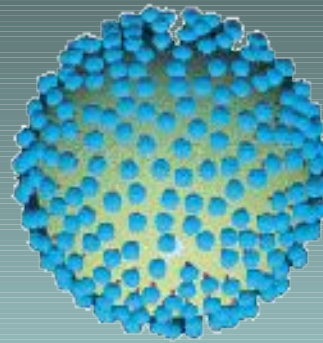

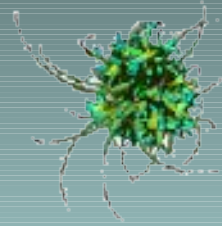

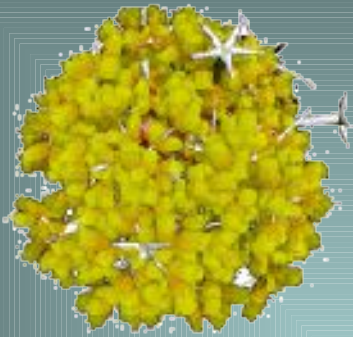

Transférez ce message d'alerte immédiatement à au moins cinq amis; si vous vous rendez compte que vous n'en avez pas cinq, c'est que vous êtes déjà infecté, et que le virus 'travail' contrôle votre vie toute entière.

Ce virus est mortel !!!

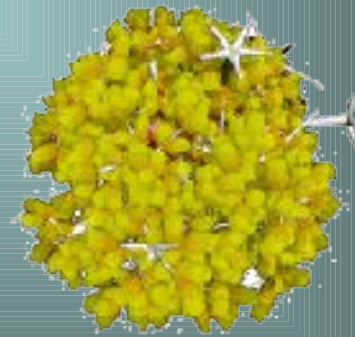

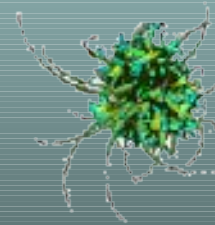

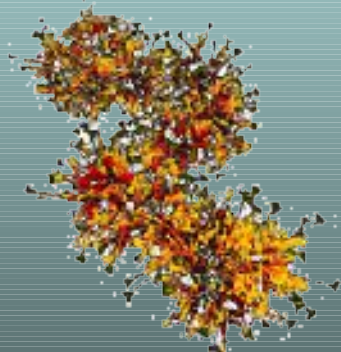

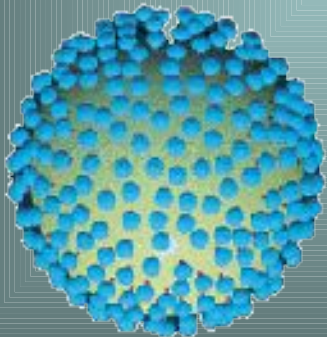

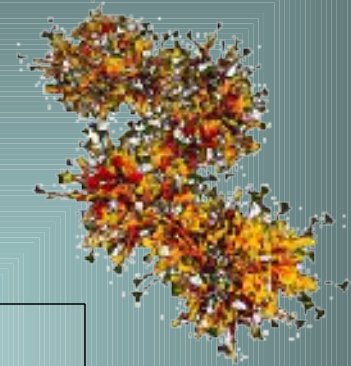

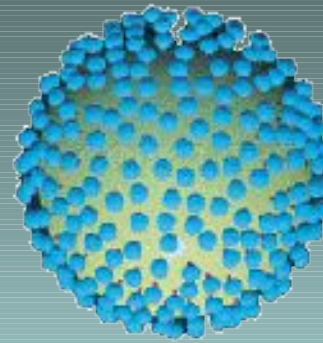

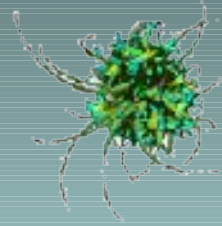

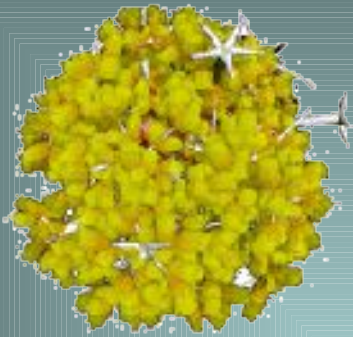

P.S:

les ouvriers municipaux, les fonctionnaires et les militaires

sont immunisés naturellement contre ce virus!!
