

**Du beuf ?**

**... Risque de vache folle**

A close-up photograph of several chickens in a farm setting. In the center, a rooster with a prominent red comb and wattle is looking towards the right. To its right, a hen with light brown feathers is looking towards the rooster. Other chickens are visible in the background, some with darker feathers. The ground is covered with straw and dirt.

**Du poulet ?**

**... Risque de grippe aviaire**

**Des oeufs ?**

**... Risque de salmonellose !**

A group of pink piglets are gathered in a pen filled with straw. One piglet in the center has a small black heart tattoo on its side. The piglets are looking in various directions, some towards the camera. The lighting is warm, suggesting an indoor or sheltered environment.

**Du porc ?**

**... Risque de grippe porcine !**

**Du poisson ?**

**... Risque de mercure et autres métaux  
lourds**

# Des légumes et des fruits ?

... Risque de pesticides

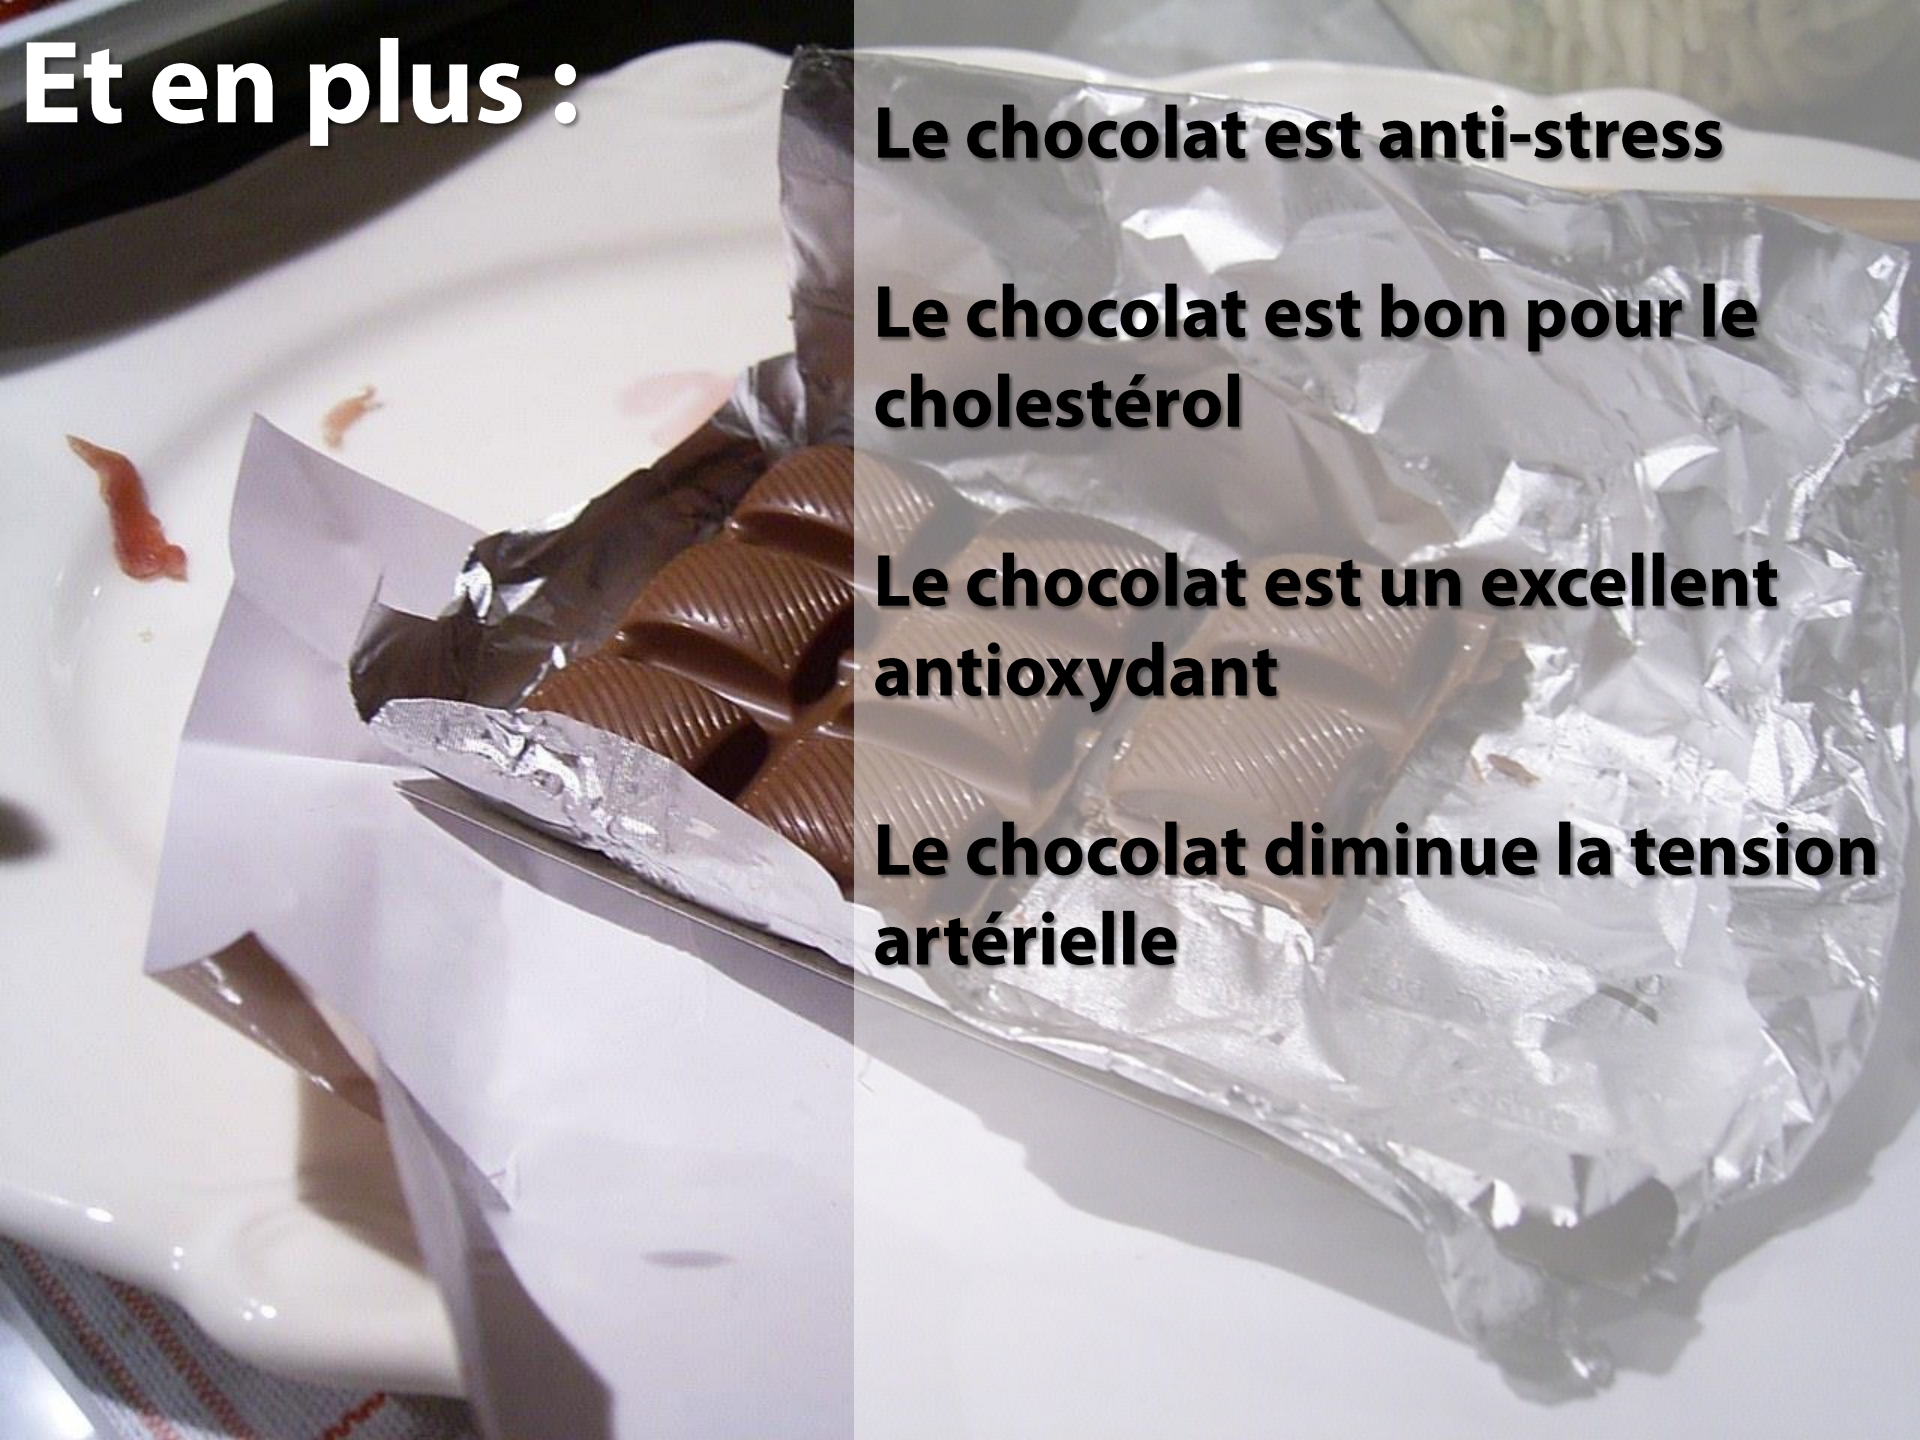

**Et en plus :**

**Le chocolat est anti-stress**

**Le chocolat est bon pour le cholestérol**

**Le chocolat est un excellent antioxydant**

**Le chocolat diminue la tension artérielle**

# Tant pis pour le régime !
