

La Route vers l'Éternité est un Long Chemin parsemé d'embûches...

Signé : JoCau He

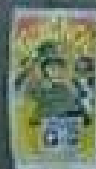

A white van is overturned on its side, resting on a paved surface. The van's front end is visible, showing a shattered windshield and a crumpled hood. The van is positioned next to a large, white, rectangular structure that appears to be part of the same installation. In the background, there are trees and a building with a glass facade.
