*Mangez 5 fruits et légumes par jour !*

A group of women are participating in a market event, wearing elaborate costumes made of various fruits. One woman on the left is wearing a costume with apples and a floral headband. Three women in the center and right are wearing costumes with large, realistic-looking fruits on their backs, including a yellow pear, a green kiwi, and a yellow fruit. They are standing behind a counter with other market items. The background shows a busy market scene with other people and stalls.
